Question:

1. We cannot find anywhere in the specifications where it states the number of days required for Plant Establishment. Bid Item 38 is a Lump Sum bid item with no time period indicated. Section 9-1.01 does not list Plant Establishment in the schedule of improvements. The schedule of improvements encompasses the entire 110 working days allotted for this project. The specification sections for planting and plant establishment do not give a time period.

Thank You,

David W Shearer
